English learners shall be provided English language development instruction targeted to their English proficiency level and aligned with state content standards. The district's program shall be based on sound instructional theory and adequately supported in order to assist students in accessing the full educational program.

- (cf. [4112.22](#) - Staff Teaching English Language Learners)

The Superintendent or designee shall provide to teachers, administrators, and other school staff research-based professional development that is designed to improve the instruction and assessment of English learners and enhance staff's ability to understand and use curricula, assessment, and instructional strategies for English learners. The Superintendent or designee shall encourage parent and community involvement in the development, implementation, and evaluation of English language development programs. Identification and Assessment

The Superintendent or designee shall maintain procedures which provide for the accurate identification of English learners and an assessment of their proficiency and needs in the areas of listening, speaking, reading, and writing in English.

Once identified as an English learner, a student shall be annually assessed for language proficiency until he/she is reclassified based on criteria specified in administrative regulation.

English learners' academic achievement in English language arts, mathematics, science, and any additional subject required by law shall be assessed using the California Assessment of Student Performance and Progress. As necessary, the test shall be administered with allowable testing variations in accordance with 5 CCR [853.5](#) and [853.7](#). English learners who are in their first 12 months of attending a school in the United States shall be exempted from taking the English language arts assessment to the extent allowed by federal law. (Education Code [60603](#), [60640](#); 5 CCR [853.5](#), [853.7](#))

(cf. 6152.51 - State Academic Achievement Tests)

Placement of English Learners

Students who are English learners shall be educated through "sheltered English immersion" or (also known as "structured English immersion"), as defined in law and the accompanying administrative regulation, for a temporary transition period not normally intended to exceed one year. Nearly all of the classroom instruction in the district's English immersion program shall be in English, but with the curriculum and presentation designed for students who are learning the language. (Education Code [305-306](#))

"Nearly all," for the purpose of determining the amount of instruction to be conducted in English, means that all classroom instruction shall be conducted in English except for clarification, explanation, and support as needed.

When an English learner has acquired a reasonable level of English proficiency as measured by any of the state-designated assessments approved by the California Department of Education, any district assessments, and/or other criteria adopted by the Board, he/she shall be transferred from a structured English immersion classroom to an English language mainstream classroom in which the instruction is overwhelmingly in English. (Education Code [305-306](#); 5 CCR [11301](#))

(cf. [6162.5](#) - Student Assessment)

An English learner has acquired a "reasonable level of English proficiency" when he/she has achieved the following:

1. Has scored a 4 or 5 on the CELDT
2. Has passed the ELA section of the CAHSEE

At any time during the school year, the parent/guardian of an English learner may have his/her child

Statement of Non-Discrimination (Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendment of 1972 section 504 of the Rehabilitation Act of 1973): Tulare Joint Union High School District (TJUHS) does not discriminate against any person on the basis of gender, race, color, religion, national origin, ethnic group, actual or perceived sexual orientation, marital or parental status, physical or mental disability. TJUHS will take steps to assure that the lack of English will not be a barrier to admission and participation in District programs.

moved into an English language mainstream classroom. (5 CCR [11301](#))

Parental Exception Waivers

When allowed by law, the parent/guardian of an English learner may submit a request that his/her child be exempted from placement in a structured English immersion program and instead be placed in a class where he/she is taught English and other subjects through bilingual education techniques or other generally recognized educational methodologies permitted by law. (Education Code [310-311](#))

Each waiver request shall be considered on its individual merits with deference given to parental preference for student placement.

A waiver request shall be granted in accordance with law unless the principal and educational staff have determined that an alternative program would not be better suited to the student's overall educational development. (5 CCR [11309](#))

If the Superintendent or designee denies the waiver request, he/she shall provide a written justification to the parent/guardian describing the reasons for the denial. A parent/guardian may appeal the decision in writing to the Board. The Board may consider the matter at its next regular Board meeting. The Board may decide not to hear the appeal, in which case the Superintendent's decision shall be final. If the Board hears the appeal, the Superintendent shall send the Board's decision to the parent/guardian within seven working days.

Program Evaluation

To evaluate the effectiveness of the district's educational program for English learners, the Superintendent or designee shall report to the Board, at least annually, regarding:

1. Progress of English learners towards proficiency in English
2. The number and percentage of English learners reclassified as fluent English proficient
3. The number and percentage of English learners who are or are at risk of being classified as long-term English learners in accordance with Education Code [313.1](#)
4. The achievement of English learners on standards-based tests in core curricular areas
5. Progress toward any other goals for English learners identified in the district's LCAP
6. A comparison of current data with data from at least the previous year.

The Superintendent or designee also shall provide the Board with regular reports from any district or schoolwide English learner advisory committees.

(20 USC [7012](#))

Parental Exception Waivers

A parent/guardian may, by personally visiting the school, request that the district waive the requirements pertaining to the placement of his/her student in a structured English immersion program if the one of the following circumstances exists: (Education Code [310-311](#))

1. The student already possesses good English language skills, as measured by standardized tests of English vocabulary comprehension, reading, and writing, in which the student scores at or above the state average for his/her grade level or at or above the fifth-grade average, whichever is lower.

2. The student is age 10 years or older, and it is the informed belief of the school principal and educational staff that an alternate course of study would be better suited to the student's rapid acquisition of basic English skills.

3. The student already has been placed, for a period of not less than 30 calendar days during that school year, in an English language classroom and it is subsequently the informed belief of the principal and educational staff that the student has special physical, emotional, psychological, or educational needs and that an alternate course of educational study would be better suited to the student's overall educational development.

Upon request for a waiver, the Superintendent or designee shall provide parents/guardians with a full written description and, upon request, a spoken description of the intent and content of the structured English immersion program, any alternative courses of study, all educational opportunities offered by the district and available to the student, and the educational materials to be used in the different educational program choices. For a request for waiver pursuant to item #3 above, the Superintendent or designee shall notify the parent/guardian that the student must be placed for a period of not less than 30 calendar days in an English language classroom and that the waiver must be approved by the Superintendent pursuant to any guidelines established by the Board of Trustees. (Education Code [310, 311](#); 5 CCR [11309](#))

The principal and educational staff may recommend a waiver to a parent/guardian pursuant to item #2 or #3 above. Parents/guardians shall be informed in writing of any recommendation for an alternative program made by the principal and staff and shall be given notice of their right to refuse to accept the recommendation. The notice shall include a full description of the recommended alternative program and the educational materials to be used for the alternative program as well as a description of all other programs available to the student. If the parent/guardian elects to request the alternative program recommended by the principal and educational staff, the parent/guardian shall comply with district

procedures and requirements otherwise applicable to a parental exception waiver, including Education Code [310](#). (Education Code [311](#); 5 CCR [11309](#))

When evaluating waiver requests pursuant to item #1 above and other waiver requests for those students for whom standardized assessment data are not available, other equivalent assessment measures may be used. These equivalent measures may include district standards and assessment and teacher evaluations of students.

Parental exception waivers pursuant to item #2 above shall be granted if it is the informed belief of the principal and educational staff that an alternate course of educational study would be better suited to the student's rapid acquisition of basic English language skills. (Education Code [311](#))

Parental exception waivers pursuant to item #3 above shall be granted by the Superintendent if it is the informed belief of the principal and educational staff that, due to the student's special physical, emotional, psychological, or educational needs, an alternate course of educational study would be better suited to the student's overall educational development. (Education Code [311](#))

All parental exception waivers shall be acted upon within 20 instructional days of submission to the principal. However, parental waiver requests pursuant to item #3 above shall not be acted upon during the 30-day placement in an English language classroom. Such waivers shall be acted upon no later than 10 calendar days after the expiration of that 30-day English language classroom placement or within 20 instructional days of submission of the waiver to the principal, whichever is later. (5 CCR [11309](#))

Any individual school in which 20 students or more of a given grade level receive a waiver shall offer an alternative class where the students are taught English and other subjects through bilingual education techniques or other generally recognized educational methodologies permitted by law. Otherwise, the students shall be allowed to transfer to a public school in which such a class is offered. (Education Code [310](#))

In cases where a parental exception waiver pursuant to item #2 or #3 above is denied, the parent/guardian shall be informed in writing of the reason(s) for the denial and advised that he/she may appeal the decision to the Board if the Board authorizes such an appeal, or to the court. (5 CCR [11309](#))

Waiver requests shall be renewed annually by the parent/guardian. (Education Code [310](#))

Reclassification/Redesignation

The district shall continue to provide additional and appropriate educational services to English learners for the purposes of overcoming language barriers until they: (5 CCR [11302](#))

1. Demonstrate English language proficiency comparable to that of the district's average native English language speakers
2. Recouped any academic deficits which may have been incurred in other areas of the core curriculum as a result of language barriers

English learners shall be reclassified as fluent English proficient when they are able to comprehend,

Statement of Non-Discrimination (Title VI of the Civil Rights Act of 1964, Title IX of the Education Amendment of 1972 section 504 of the Rehabilitation Act of 1973): Tulare Joint Union High School District (TJUHSD) does not discriminate against any person on the basis of gender, race, color, religion, national origin, ethnic group, actual or perceived sexual orientation, marital or parental status, physical or mental disability. TJUHSD will take steps to assure that the lack of English will not be a barrier to admission and participation in District programs.

speak, read, and write English well enough to receive instruction in an English language classroom and make academic progress at a level substantially equivalent to that of students of the same age or grade whose primary language is English and who are in the regular course of study. (Education Code [52164.6](#))

The following measures shall be used to determine whether an English learner shall be reclassified as fluent English proficient: (Education Code [313](#); 5 CCR [11303](#))

1. Assessment of English language proficiency using an objective assessment instrument, including, but not limited to, the CELDT.
2. Participation of the student's classroom teacher and any other certificated staff with direct responsibility for teaching or placement decisions related to the student.
3. Parent/guardian opinion and consultation.

The Superintendent or designee shall provide the parent/guardian with notice and a description of the reclassification process and of his/her opportunity to participate in the process and shall encourage his/her involvement in the process.

4. Student performance on a statewide assessment of basic skills in English.

The Superintendent or designee shall monitor the progress of reclassified students to ensure their correct classification and placement. (5 CCR [11304](#))

The Superintendent or designee shall monitor students for at least two years following their reclassification to determine whether the student needs any additional academic support to ensure his/her language and academic success.

Advisory Committee

A parent/guardian advisory committee shall be established at the district level when there are more than 50 English learners in the district and at the school level when there are more than 20 English learners at the school.

Parents/guardians of English learners shall constitute committee membership in at least the same percentage as their children represent of the total number of students in the school. (Education Code [52176](#))

The district's English language advisory committee shall advise the Board on at least the following tasks: (5 CCR [11308](#))

1. The development of a district master plan of education programs and services for English learners, taking into consideration the school site plans for English learners

6. Review of and comment on the district's reclassification procedures
7. Review of and comments on the written notification required to be sent to parents/guardians pursuant to 5 CCR [11300-11316](#)

(cf. [1220](#) - Citizen Advisory Committees)

(cf. [5020](#) - Parent Rights and Responsibilities)

(cf. [6020](#) - Parent Involvement)

In order to assist advisory members in carrying out their responsibilities, the Superintendent or designee shall ensure that committee members receive appropriate training and materials. This training shall be planned in full consultation with the members. (5 CCR [11308](#))
