“Quality Schools Preparing Exceptional Students”

Our Vision:

Our students will acquire relevant skills and knowledge through meaningful learning opportunities to empower them to productively contribute to an ever changing community. We are committed to providing a safe and supportive environment that promotes academic and emotional growth.

Our Mission:

The mission of TJUHSD is to empower all students to graduate with college, career, and life-readiness skills.

Expected Graduate Outcomes:

As a result, all students will know and be able to demonstrate:

- The ability to apply critical thinking and problem solving skills
- The ability to work independently and collaboratively with other students and adults.
- The ability to effectively communicate with a diverse population through multiple modalities; including verbal, non-verbal, listening, and writing using technology to access and analyze information.
- The ability to use creativity and imagination in developing innovative solutions and projects related and applicable to the modern society.
